SUSTAINABILITY

Ilkos is committed to protecting the planet and delivering a positive environmental legacy for future generations as we operate and grow our business.

Our Values
**OUR
VALUES**

Scented Candles **SCENTED CANDLES**

Scented candles perfume your ambience and create a relaxed, inspiring environment, in which you will feel excellent. With the combination of various scents, you can create an individually scented experience. Our scented candles are recognized for their long and uniform combustibility and intense concentrated scent due to the content of extracts and essential oils. Due to lovely shapes and colors, they are also an important and modern accessory to your interior.

INSPIRED BY *Nature* COLLECTION

Our fragrances are inspired by nature, which surrounds us on every step. Our goal is to create authentic fragrances that will carry you to new places, full of aromas, enjoyment, relaxation and pleasant moments.
